Sturgis, Michigan, December 24, 2008 – Bartelt Aviation reaches another milestone and sells their 330th Saratoga to Rick Helper of RPH Consulting, LTD. Mr. Helper hired Bartelt to coordinate his Saratoga Acquisition through our unique Aircraft Acquisition Services Program.

"The BARTELT TEAM is extremely proud to make this announcement to the aviation community. Specializing in a specific market is one thing. Selling another (30) Saratogas in only 20 months is quite an accomplishment.

Our stellar growth continued in 2008. We sold (48) aircraft, which is nearly one sale a week. We also sold a Beechcraft King Air F90 this year. Putting the customer first has proven to be extremely beneficial and our repeat business is second to none.

I would personally like to thank our loyal customers. Without you, we are nothing. We appreciate you and thank you for your continued patronage. We look forward to serving you in 2009!" States John Bartelt, President of Bartelt Aviation.
