Subject: RE: Saratoga Update

John,

I would like to take a moment to thank you and Bartelt Aviation for the prompt and professional sale of our Saratoga. Your timeline and estimated sale price met or exceeded our expectations. Our aircraft was picked up and ferried to your location on time by a professional and cared for meticulously by your mechanics. After 20 years of active participation in the aviation industry and many aircraft sales and purchases, I can say that this was one of the easiest transitions I have been associated with. Thank you again John for the prompt and professional service.

Sincerely, Chris Schaeffner
