good afternoon john; just got done flying 522mm for the first time.

the plane is nicer than I expected; the paint is beautiful and so is the interior. Pete was fantastic to fly with and explained the aircraft systems thoroughly. we flew 2.5 hrs; was lots of fun. thank you so much for helping us with the purchase of our first plane. when we are in the market for a new plane we will be glad to do business with you again.

very happy owner!!! David corzilius.
