John:

I just finished my Saratoga school with Pete. Outstanding! I really enjoyed the time I spent with Pete. He is most knowledgeable and has a wonderful way of training. I feel very comfortable with my airplane and all its systems. Pilot workload has been greatly reduced simply by being able to fly the plane by the numbers.

Pete is a great instructor and a huge asset to your company. Please pass this info along and consider it a huge attaboy for Pete as well as Bartelt Aviation. Thanks again.

Sincerely,

Robert Sledge
